# Finance & Performance

# Finance & Performance

*We are the consultants who are Finance savvy!*

## What we do:

- ✓ We help public and private **CFOs and their Finance teams uplift their performance** by designing and implementing solutions tailored to their business
- ✓ On one hand, we help Finance **digitise, adapt, perform better, and grow**, through creating Finance strategies, operating models, and planning, budgeting, and forecasting mechanisms. On the other, we implement cloud based planning solutions (EPM)
- ✓ We establish **long lasting relationships with our clients** and are exposed to a **variety of industries, sectors and people** through our exciting work!

## What skills & backgrounds are we looking for?

- ✓ **Analytical and strategic thinkers** who can tackle an issue through a post-it note brainstorm session
- ✓ **Excellent written, soft, and adaptive skills** for communicating clearly with clients and within our team
- ✓ Eyes for **design, creativity and attention to detail** to create professional reports and presentations
- ✓ The ability to handle **ambiguity** and to **think broadly**
- ✓ **Familiarity with accounting and numeracy skills**, but we consider all backgrounds!

## Recent joiners and their experiences:

**Anna Tingey**  
Analyst, Wellington

I joined as a grad in 2021 and love the variety of work I am involved in. My team are so supportive of my growth and development and look out for me.

**Lynn Yan**  
Manager, Auckland

I always say that at Deloitte, everyday is different, you have the opportunity to work with a variety of clients and make an impact that matters. Also, everyone here is different and you can be yourself, as your unique perspective is valued and that's what makes Deloitte stronger.

**Cas Purdy**  
Consultant, Auckland

Deloitte has given me endless opportunities to learn and grow in an exciting and challenging environment. I have been involved in sports teams, social events and community initiatives thanks to their genuine interest in the well-being of their people.

**Gabriel Dykes**  
Intern, Wellington

Starting at Deloitte has been a super awesome experience. In 8 weeks, I touched 5 projects across private and public sectors - covering operational overhauls to sustainability. If you love varied and challenging work then look no further.

# Life in our team

*Relationships with our clients is everything! We are often at client site running workshops and as a result develop great connections with them*

*Coffee, coffee, coffee!*

*Our team culture is what makes us stand out. We often celebrate key milestones within our team, and support one another to develop professionally*
